PROFILE

I am Raouf Atabeg, an industrious professional with six years of experience as a page at the London Public Library in London, Ontario, Canada. This role has honed my organizational skills, deepened my commitment to excellence, and emphasized the importance of effective communication and meticulous attention to detail. Additionally, I have ventured into freelancing, which has allowed me to refine my problem-solving abilities and adaptability. My educational background at Western University includes a specialization in Computer Science and a minor in Japanese Language, reflecting my dedication to embracing diverse perspectives

WORK EXPERIENCE

Freelance Web Developer

The Freelance Project   **2018 - Present**

- Handling all verbal and written communications between hosting companies, clients, and vendors.
- Meeting with the prospective clients to review websites, and gather the client's specifications for new or existing websites.
- Designing, and coding a new website for the eagle project using CSS, XHTML, JavaScript, JQuery.
- Built, designed, and maintained the website *thecentralasianchronicles.asia* using CSS, XHTML, JavaScript, and PHP.

Information & Tech Assistant

The Bookstore at Western, London ON, Canada   **May 2022 – Jan 2023**

- Aided questions and concerns about tech to dormitory students on campus.
- Offered advice and recommendations to students regarding textbooks books, eBooks, information, and general merchandise.
- Responsible for assisting students in multiple areas, including their technological needs, and assisted in three different languages when necessary.

Library Page

London Public Library, London, ON, Canada   **2017 - 2023**

- Supported patrons in routine location questions, referred patrons to other staff members as needed, and instructed patrons in using library equipment.
- Completed numerous tasks assigned by supervisors through minimal supervision while making sure deadlines were met ahead of time regarding sorting materials and program preparation.
- Prepared library materials for circulation (i.e., books, jackets, audio-visual cases, labels, book cards, pockets, stamps, mend library materials, etc.)
- Assisted new pages through instruction of library tasks and kept track of progress to maintain a team-based environment that facilitated a productive work environment.
